For academic institutions: Faculty members (including temporary or exchange faculty for the duration of their assignment); graduate and undergraduate students; staff members; and independent contractors acting as faculty or staff members;

SD accordingly reserves the right to terminate this Agreement if routine violations of these security principles or intellectual property rights are substantiated. Subscriber will take reasonable measures to detect misuse of the SDWE Service and/or content acquired therefrom, notify SD of such misuse, and take corrective actions, or take such action upon request from SD.
